DISCOVERY GALA

MISSION: POSSIBLE

A full-page background image showing two hikers from behind, standing on a rocky mountain peak. The hiker on the left is wearing a blue shirt and a large tan backpack, while the hiker on the right is wearing a red shirt and a green backpack. They are both reaching up, with the hiker on the right holding the hand of the hiker on the left. The sun is low on the horizon, creating a strong lens flare and silhouetting the hikers against a sky filled with dramatic, dark clouds. The landscape below consists of rolling hills and valleys.
